

PPO Vietnam Company Limited

Perfect – Professional – Optimal

INTRODUCTION

PPO Vietnam Co., Ltd, short name "**PPO**" which stands for "**Perfect – Professional – Optimal**" It also is our company's motto.

PPO was established in January 2014 in Hanoi, Vietnam. PPO is an enterprise operating in the field of information technology, with a scale of 50-100 employees. We own a team of highly trained personnel at well-known, experienced, enthusiastic, passionate, professional and enthusiastic IT-learning Universities and they have the spirit to learn, update every change in the industry. Information Technology. More specifically, they have experiences participating in many real projects using the latest technology to meet the requirements of customers' IT application solutions in this new integration era.

With the continuous efforts of dedicated team members, PPO possesses enough abilities and experiences to provide solutions with the best quality products and services, and that has been affirmed by PPO's customers. This has created a strong motivation and belief for PPO to develop steadily and affirm in both domestic and international markets in the relevant fields. Besides, the great responsibility of PPO is to provide customers with perfect services and products. In order to achieve that, we are constantly improving our professional qualifications to meet the increasing demands of customers and the changing market. We, PPO always take "value of customer's trust" as a measure for striving and implementing the goals that we will provide many products and technology solutions fit all subjects from "personal" to "organizations", from "local" to "international" businesses in the next 5 years.

Sincerely thanks!
